REGULARS's NEWS [FREE NUTS AT THE BAR]

Dear Reader, AS YOU WELL KNOW...

The Green Man has been getting busier and busier, but as I write this letter to you with my quill we are approaching another landmark in the Green Man calendar - the refurb! We will be closed for a week or so, a new lick of paint here, and dab of spit and brasso there and we will see a magical tranceformation in the Green Man's shiny golden shine ready for another years hard fun, check the website for further details (those curtains really do need a wash, ave you smelt 'em?!).

I must just mention those regulars who have been making a special effort around the place recently, Tony the Hart, Aaran Juneoe, and Christophers Lowe especially, its always great to see your smiles inside the place. If you know more people like these good fellows, get them to sign up on the GMARF website, they will receive all the lovely things in the post you did, this wonderful newsletter too, AND many lifetimes membership to The Green Man, (yes the dead are welcome to pop in for a tea).

WE SERVE THE BEST.

In other news – Now, before we go any further it pains me to mention the next point, as I know that the 99% of you are good honest regular folk, but the 1% or even the 0.1% are the ones letting us down, so I am just going to have to say it **THERE IS A THIEF AT THE GREEN MAN!** A couple of weeks back we noticed the pride of the Landlords daughters jugs collection had gone missing. We all love drinking from these jugs and now there is one less round that can be served and extra washing up to be done. So if anyone knows the whereabouts of a certain Sylvac jug in a tree trunk design with a very cute rabbit sitting on it then please have a quiet word with the landlord (greeny_man2000@rocketmail.com) (. There will be an AMNISTY on the return of the jug, no questions asked, you know who you are, you have until the end of Christmas Day to return it!

Tick the correct box for:

- The best drinks ?
The best atmosphere ?
The best regulars ?
Well done!

In other Other news....!!!

OK, on to a lighter note, **BAT THE RAT**. I am sure you will have noticed a rise in the column coming out for a game of late so what better time to hit you with some advanced rules for all keen players:

1. PLAY with a 45 degree angle of column on holders shoulder (its not a rocket launcher)
2. Get rat out and Hold Rat by tail
3. Rat handler stands on stool
4. Landlord must be

- present or playing during every game
5. Players must try and show more flesh especially leg when playing
6. H&S REMEMBER - Playing with a shorter stick will reduce the risk of injury

- **GENERAL HEALTH** – Make every 4th drink a soft one (we're not in the business of getting people drunk!)

HANDY H&S Hints

- Also remember to secure pictures above head height securely, with security fittings.
- And plugs below water don't go, so put them above or out the way.

LIVE MUSIC EVERY Week*

If you missed the live music from The Demon Barbers in the bar last week you missed it, their live show was spectacular, I especially enjoyed the dancing and spinning with swords. Hope you will come back to play again soon!

While we are on the subject of music the Landlord is putting together a Christmas album for in the bar so if you have any suggestions for what should be included on this year's Christmas album have a word with the Landlord

NEW RECORD HIGH SCORE ON THE GAME, NEW HIGH SCORE ON THE GAME - **12 (Derby Rules)**

...Rules Rules OK

Some wanted to play the Birmingham rules, you gotta be joking right! Derby rules wins (More of a [green]mans game the Derby rules). It has more passion, and the stakes are higher. It is best to chat rules before you start a game, he could be playing ol' Nottingham rules, whilst you could be playing Leicester rules! LOL

CELEB GOSSIP! BY the Landlords Duaghter

This is a great one four our Regulars who look like famous people series:

Jonathan as Jesus!

GORDONS ?????**MYSTERY**???? **PERSON**

Our fave, Gordon "Lobsterface" Ramsay popped up again at the Green Man this week, this time he had a secret Lobster 'friend' balanced on his arm. You can see why they got on so well. He said "Catch of the day! I love hanging out with me Lobster, its like looking in the mirror. So pretty, so hansom, so me" They relaxed into the Green man ATMOS, and ordered our new **WHITE HOT MEAT sharing platter for two** (must be ordered at the same time) and when the foul faced foody had finished scoffing his smutty swear hole with our Famous meat, he pushed a

little note across the bar.

"I said don't tell my wife I was with _____ or I will smash your ruddy face in."
"

We won't tell who you were with we wont be on to the **Paparazzi** on a **telephone** coz we got a **poker face**! Any way we think it is a **Bad Romance** and you will have to **Marry the Night!**

Eee'r **FAME MONSTER** Get your effing round in!
